

**MBA**

**Title One  
Information**

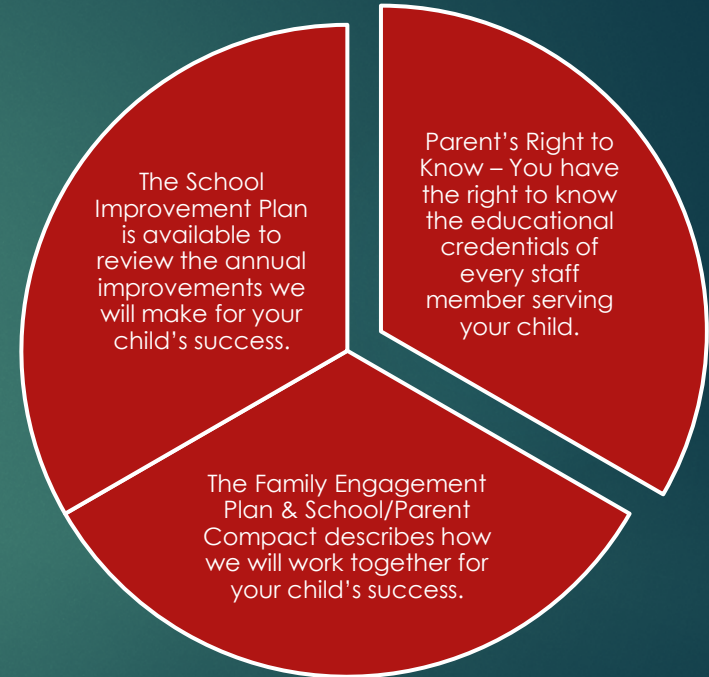

# What is Title 1?

**TITLE I provides financial assistance to local educational agencies**

## **THE Goals of Title I are:**

- To Increase academic achievement
- To provide professional development for teachers
- To promote parental involvement

# MBA is a Title One School

# Parents have the right to know:

Teachers' certification information

Teachers' degree information

Teachers Field of endorsement

Previous Teaching experience

Status of the child's Education Records

Child's level of achievement

Right to public school choices

# School-Parent Compact

Parent compact was written as an agreement between the school, parents, and students.

The plan ensures that all stakeholders share the responsibility of academic achievement.

# Parent & Family Engagement Plan

MBA encourages parental involvement in the educational process. The school and home have a shared goal of promoting success in our Executives.

Our Family Engagement Policy was developed jointly with parents, and they will act as advisors and resource persons.

# As a Title One School School...

MBA will regularly share information about academic progress to facilitate learning and parent engagement.

Grades are available in Power School at ALL Times. If an Executives' grade falls below a C or conduct below an N, the teacher will contact you.

We are all expecting great academic success!

# Additional Ways You Can Help:

- ▶ We are beginning tutoring fully after fall break. We need your student there.
- ▶ Volunteers to assist at events.
- ▶ Parents to be a member of our planning team.
- ▶ Additional Meetings are TBA.
